## Who will join?

### MORIA

My name is Moria and I will be 24 this upcoming April. I am originally from Israel, from a pretty big city in the south called Beer Sheva.

After school i was in the army for 2 years, plus one year of community volunteering in a youth community center which i was part of the staff :)

I love travelling, theater, special effects make-up, cooking, and of course Aviation, which is what i am doing in Czech republic now (issuing an airline transport pilot license).

I am actually really excited to be a part of the program!

### Aibek

I am from Kazakhstan. My country located in Central Asia and takes 9th place in the World in

terms of area. So as you can guess it is not a small country and I will gladly tell you about every beautiful place. As for me, I am 21 years old and I really love aviation. I can even say that I am sky addicted. So I think that pupils will be interested to hear something about aviation. To be honest I really like shooting videos. Especially regarding aviation :D

### PETER

My name is Peter Collins. I am 27 years old and I come from Dublin, Ireland.

Edieson week I will be presenting about the history of Ireland with a focus on the last few centuries, including the Great Famine, Irish independence and the split between the Republic of Ireland and Northern Ireland.

## *Magdalena & Petr*

Hi everyone! We are Mája and Petr, 19 year old students from Prague who share a love for travelling. Both of us have visited a number of foreign countries and we're excited to share our experiences!

## *SELMA*

My name is Selma  
I supposed to be with you for the meeting!  
I am planing to attend by skype or messenger and  
I'm preparing a presentation about health, how to  
ovoid diseases like cancer with minimum of  
care :) it could be very interesting.

I hope i can see you in the future and for sure  
next time i will be with you :)

## *Gregory*

Our second-graders teacher, coming from the USA, will present himself in an unusual way. Greg has been working at our school since this year, teaching English conversation at the second level.

## *Silvia*

Italian, Charles University student, currently living in Prague.
